

You're Invited to Clearview Social!

Join us in one of our newest marketing and communications endeavors—Clearview Social, a communications tool that helps curate and distribute content over social media.

1. First, you'll receive an invitation email from Clearview Social inviting you to create a login (AHLA staff will let you know when to expect this email so you can be looking for it).
2. Next, you'll need to connect your preferred social media account to your Clearview Social profile.
3. And, from there, you can share suggested posts with just a click of button.
4. You will receive a weekly email from Clearview Social with suggested posts that you can share immediately or choose to schedule. You can also login to view suggested posts to share.
5. If you have any questions, please contact Felicia at FChaplin@americanhealthlaw.org
